

## Which law is most important to our lives today?

Of the five laws we studied, I think the most important law is

---

*Directions: In the boxes below, please draw a "before" and "after" picture that shows life before this law was passed and life after the law was passed. Then, below your illustrations, write a paragraph that explains why you think the law you chose is most important to your life today.*

**BEFORE**

**AFTER**

Why this law is so important...
